Description:

William Kavney Sauvignon Blanc from Napa Valley is a beautifully crafted wine that showcases the best of this renowned wine region. This exceptional blend consists of 85% Sauvignon Blanc and 15% Semillon grapes, resulting in a balanced and elegant wine that captures the essence of Napa Valley. This Sauvignon Blanc boasts a delightful array of aromas and flavors. On the nose, you'll discover vibrant citrus notes, including lemon and grapefruit, complemented by hints of tropical fruits and a subtle herbaceousness. On the palate, this wine reveals a refreshing acidity and a crisp minerality that adds to its complexity.

Winemaking Process:

Our winemaking team employs a meticulous approach to create this extraordinary Sauvignon Blanc. After harvesting, the grapes undergo a precise vinification process. The wine is aged on the lees, with half of it in neutral French Oak barrels and the other half in stainless steel tanks. This dual aging method imparts a harmonious balance of oak-driven richness and stainless steel crispness.

Food Pairing:

This Sauvignon Blanc is a versatile companion to a wide range of dishes. Pair it with fresh seafood, such as oysters or grilled shrimp, to accentuate its vibrant acidity. It also pairs wonderfully with salads, goat cheese, and light poultry dishes. For a delightful experience, try it with Thai or Vietnamese cuisine, where its citrusy notes complement the exotic flavors.

Enjoy Responsibly: William Kavney encourages responsible and legal consumption of alcoholic beverages. Please drink responsibly and in moderation.
